Cadomin Area Load
Notice of project approval

Thank you for your ongoing participation in the Cadomin Area Load project. The Alberta Utilities Commission (AUC) approved this project for construction on July 20, 2026.

Next steps

Where construction activities are required to take place on private property, we will contact you in advance to discuss the specific dates and times we will require access to your property.

We plan to begin construction in May 2028 and anticipate construction to be complete in October 2028.

Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- work at an existing substation

AUC approval

When the AUC approves a transmission project, it grants AltaLink Permits and Licences. The permits and licences for this project can be viewed on the AUC website at:
https://www2.auc.ab.ca/proceeding/30923

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New personal account' or 'New organization account' and follow the steps on the screen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca.

If you have any issues accessing these permits and licences, please contact us at the details below and we will mail a copy of the application to you.

Project background

AltaLink is proposing the following upgrades to the Cadomin 983S Substation:

- replacing a 69 kilovolt transformer
- adding or modifying associated equipment as required

The upgrade work will be completed within the existing substation fenceline, with no fence expansion required.

Contact us

We are available to address any questions or concerns you may have. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at https://www.altalink.ca/project/cadomin-area-load/.

Sincerely,

Kris Gladue
Manager, Stakeholder Engagement
